Hippo Cabs are UK's First Branded family run business that proud to be able to offer a high class personalised transportation services to our local Community for Disabled (physical and medical) people.

We are more than a taxi service; we offer a clean, punctual vehicle (to your specification) driven by a trained driver with a current DBS certificate to ensure the safety of clients and their Carers.

All our vehicles come with:

- Hand sanitizer
- Blanket
- Oxygen provision
- Artificial External Defibrillator (AED)*
